

## BIG Shootout Submission Details

### **Important information for clubs participating in the 2023 BIG Shootout contest.**

Please be sure that you are following all the rules and regulations described at:  
<https://www.curlingdayincanada.ca/rules-regulation-canadas-big-game/>

Please send a recording of your most successful attempt to  
[curlingday@curling.ca](mailto:curlingday@curling.ca)

The easiest method of sharing your recording is a link to a livestream on Facebook, YouTube, or alternative platform. It's also the most engaging manner for your club and community members to follow along.

You may also send a video file, but likely the file will be too large to send via an attachment in email. It is advisable to use an online file-sharing service such as Dropbox, Google Drive, or alternative.

Your video recording must be thirty continuous minutes and provide evidence of successful draws to the button that cover the pin at the centre of the button.

Please provide, in email:

- video link or attachment,
- the number of successful draws to the pin executed,
- the names of the individuals that contributed the successful draws,
- and the times in the video at which each successful draw was executed  
(*at 2 minutes and 36 second, then at 5 minutes and 45 seconds, etc.*)

Curling Canada staff will review submissions and announce the winner of the \$5,000 grant the week of February 26, 2023.

Thank you in advance for your participation.
